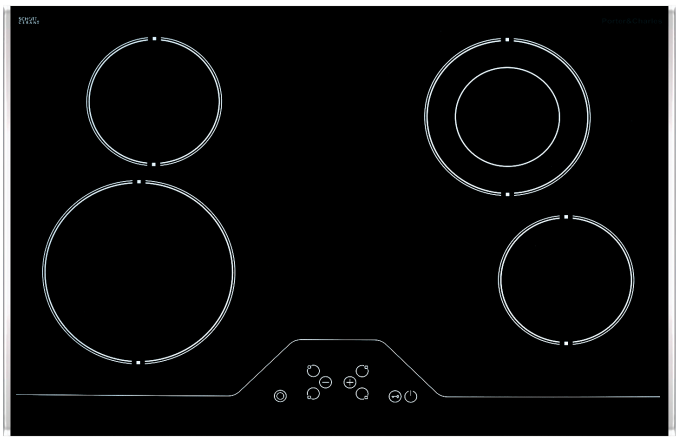
CC76V

30” Built-In 4-Zone Electric Cooktop



Four Zones | Touch Control | Smart Pause | Slim Installation

AVAILABLE FINISHES / COLOUR OPTIONS

CC76V
Black Ceramic Glass, Stainless Steel Sides with Bevelled Edges Front / Back

KEY FEATURES

Black Ceramic Glass Surface
P&C ceramic cooktops have scratch-free, easy-to-clean smooth surfaces, providing clean and modern looks with a minimalist design that helps accentuate the look of any kitchen.

4 High-Light Elements
Provides quick, reliable, and evenly distributed heat for more consistent cooking.

Precise Control
P&C electric cooktops have touch sensitive front controls with LED indicators that are practical and allow for precise temperature settings and provide an easy-to-clean surface.

9 Power Levels
With the use of 9 power levels, your P&C electric cooktop allows you to adjust the heat output of each element.

Residual Heat Indicators
When the cooking zone is not cool enough to touch safely, the residual heat indicators warn you with a visible red indicator on the cooktop surface.

Automatic Shutoff
If a cooking zone is in use for a certain period of time with no changes to the control setting, the burner will automatically turn off to prevent unsupervised heating.

GENERAL PROPERTIES	
Type	Electric
Cooking Surface	Black ceramic glass surface
Cooktop Frame	Stainless steel side edges, beveled front and back
Number of Elements	4 Hi-Lite cooking elements
Shallow Depth Installation	Allows for easy install over drawers or ovens
