CC76XB
Black Ceramic Glass, Stainless Steel Sides with Bevelled Edges Front / Back

KEY FEATURES

Blends Seamlessly Into Any Kitchen
The Black surface and stainless steel trim aligns perfectly with every kitchen style.

4 High-Lite Radiant Elements
Provides quick, reliable, and evenly distributed heat for more consistent cooking.

Bridge Zone
Combines two individual heating elements into a larger heating zone so you can place griddles or larger pans in this zone

Ceramic Glass Surface
Ensures improved safety and easy cleaning.

Touch Controls
Adjust and control the power levels with a simple touch.

Digital Timer Setting
The digital timer setting of up to 99 minutes helps coordinate meal preparation and cooking.

9 Power Levels
Allow you to adjust the heat output of each element of up to 9 power levels.

Residual Heat Indicator
Cooktop indicates when elements are still hot.

Automatic Switch-Off
The cooktop automatically turns off when overheating.
