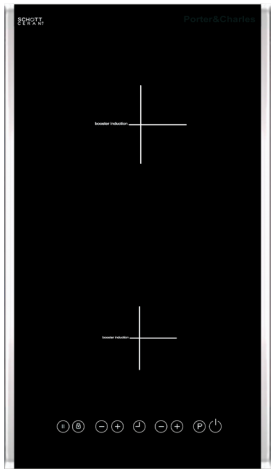
CI30V

12” Built-In 2-Zone Induction Cooktop



AVAILABLE FINISHES / COLOUR OPTIONS

CI30V
Black Ceramic Glass, Stainless Steel Sides with Bevelled Edges Front / Back

KEY FEATURES

Black Ceramic Glass Surface
With premium styling and detailing, these cooktops seamlessly blend with other appliances for a cohesive, considered kitchen design, while featuring a smooth surface that makes cleaning fast and simple.

Induction Elements
Electromagnetic heating technology where heat is generated inside your cookware, ensuring a more efficient process with less energy waste, faster heating, and a safer cooking experience

Precise Control
P&C cooktops feature user-friendly touch controls that allow for precise temperature control and a professional experience.

9 Power Levels with Power Boost
This cooktop offers nine power levels for each zone and Power Boost to add even more power that speeds up the cooking process.

Residual Heat Indicators
Indicator shows when the surface is still too hot to touch.

Automatic Shutoff
If a cooking zone is in use for a certain period of time with no changes to the control setting, the burner will automatically turn off to prevent unsupervised heating.

2 ZONES Two Zones | Touch Control | Smart Pause | Slim Installation

GENERAL PROPERTIES	
Type	Induction Cooktop
Cooking Surface	Black ceramic glass surface
Cooktop Frame	Stainless steel side edges, beveled front and back
Number of Elements	2 Induction cooking elements
Shallow Depth Installation	Allows for easy install over drawers or ovens
