AVAILABLE FINISHES / COLOUR OPTIONS

VE-DWVFI18
Panel Ready

KEY FEATURES

Panel Ready Design
Allows you to install a custom front panel and handle (not included) over the dishwasher door to create a seamless look with kitchen cabinetry.

Top Hidden Control Panel
User-friendly controls that are tucked away on top of the dishwasher door for a sleek concealed look.

Quiet Performance
Creates a peaceful kitchen environment even as it delivers powerful wash performance, operating at 47 decibels.

10 Place Settings
Holds up to 10 place settings including dinner platters, pitchers, blender jars, glasses, knives, forks, spoons, silverware, serving utensils, and more.

Flexible Wash Programs
8 Different wash cycles to give the best cleaning effect specific to your needs.

47 dBA Noise Level
Quiet operations creates a peaceful kitchen environment while providing powerful wash performance.

Stainless Steel Interior
Stainless Steel interior tub helps to dampen and insulate against noise, resists stains, adds extra durability, and has a higher temperature tolerance than plastic interiors.

Delay Start
Delay the start of the cycle up to 9 hours to make sure dishes are clean and dry when you need them.

Third Level Cutlery Rack
Provides additional space for long and flat items like silverware, serving utensils and spatulas.

Overflow and Leak Protection System
Provides a peace of mind with the protection against potential sources of leaks.

ENERGY STAR®
For outstanding energy efficiency, which means you’ll save big-time on your utility bills.
