KEY FEATURES

Flexible Cooking
Experience the ultimate cooking flexibility and get the look of a built-in range, with a powerful cooktop that offers four elements, designed to handle all your cooking needs.

4 High-Performance Cooking Zones
Four-element cooktop gives you the ultimate cooking flexibility with a powerful radiant cooktop. From a 1200W single burner to a high-powered 2200W dual heating element, this range gives you the power to master any meal.

Sized to Suit
With a spacious 2.2 cu. ft. oven capacity, this built-in oven is designed to accommodate multiple dishes and your favourite meals with ease.

Convection Oven
Evenly bake foods like roasts and cookies with this helpful feature that uses a fan to circulate heated air.

Digital Clock and Timer
Allowing you to monitor how long the food has been cooked. No longer you need to worry about your food getting overcooked.

Heavy Duty Control Knobs
Heavy-duty, stainless steel rotary control knobs add style and durability.

Easy-to-Clean Cooktop
Easy to clean and stunning to look at this cooktop adds a touch of refinement to any kitchen.

Accessories
Deep Enamelled Roasting Pan (1), Grill Rack Insert (1), Wire Oven Shelves (2), Full Extension Telescopic rails (1-pair).
