PORTER&CHARLES

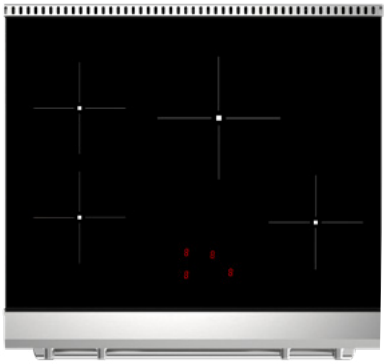
RANGE

FIR76B4

30” Freestanding Stainless Steel Induction Range

FIR76B4

30” Freestanding Stainless Steel Induction Range



AVAILABLE FINISHES/COLOURS

Stainless Steel & Black Glass (combined)

KEY FEATURES

Smooth Ceramic Cooktop
The flat glass surface offers even heat distribution and easy cleanup, providing a sleek, modern finish for any kitchen.

Convection Cooking with Air Fry
A built-in convection fan ensures faster, more even baking, while the integrated air fry function delivers crispy results with less oil.

Powerful Heating Performance
Equipped with high-output radiant elements and dual oven heaters, the range delivers exceptional performance for all cooking tasks.

Steam Clean Function
Easily maintain a spotless oven with a steam-assisted cleaning cycle that loosens residue—no harsh chemicals needed.

Triple Glass Oven Door & Cooling Fan
The multi-layer door and internal cooling system keep external temperatures low, enhancing safety and energy efficiency.
