SOPS76TM-1EL

30” Built-In Multifunction Convection Oven

Flush Design | Touch Control | Fan Convection | Temp. Probe | Extra Large Capacity | Self Clean

AVAILABLE FINISHES / COLOUR OPTIONS

SOPS76TM-1EL
Black Glass Finish with Stainless Steel Trim

KEY FEATURES

Black Glass Finish with Stainless-Steel Trim and Handle
The appliance features a sleek black glass finish with stainless-steel trim, blending seamlessly with modern kitchen decor for a stylish and elegant look.

Precise Control
Experience intuitive control with a sleek glass touchscreen interface, offering effortless operation and easy maintenance with its wipe-clean functionality.

Timed Cooking
In Timed Cooking mode, the ovens turns on immediately and cooks for the length of time you select. Oven turns off automatically at the end of the cooking time.

Convection Bake
Improve cooking efficiency with Convection Bake. The built-in fan ensures even heat distribution for faster cooking without sacrificing quality.

Convection Roasting
Effortlessly roast large, tender cuts of meat with even heat distribution. The top heating element, coupled with the convection fan, ensures consistent cooking results for flavourful dishes.

Temperature Probe
This oven includes a temperature probe for precise cooking, monitoring food temperature for perfect results with roasts, poultry, and more, every time.

Large Capacity
With a generous oven capacity of 4.8 cubic feet, this appliance offers ample space to accommodate multiple dishes simultaneously, allowing for the preparation of large turkeys and roasts with ease.

Pyrolytic Clean
Simplify maintenance with pyrolytic cleaning. This self-cleaning feature heats the oven to high temperatures, turning food residue into ash for easy wiping, keeping your oven effortlessly clean.

Versatile Installation Options
Flexible configuration options such as a flush inset installation, seamlessly integrating the oven with surrounding cabinetry or a proud mount installation, where the oven frame and door are exposed, refer to specs.

Accessories
Broil Grid (1), Broiler Pan (1), Oven Racks (2), Temperature Prove, Bottom Vent Grill (7427640 available option)

GENERAL PROPERTIES
