STPS60TM-1
Black Glass Finish with Stainless Steel Trim

KEY FEATURES

Black Glass Finish with Stainless-Steel Trim and Handle
With a sleek black glass finish, this Contemporary style oven is well-suited to a variety of kitchen designs. It’s distinctive and timeless, whether on its own or part of a matching appliance set.

Combination Cooking
Give every ingredient the respect it deserves with combination convection and steam cooking.

Steam Cooking
Elevate your meals with the precise temperature and humidity control of steam cooking.

Temperature / Meat Probe
Get the precise temperature control of food with the temperature meat probe.

Precise Control
Manage cooking modes, temperature, and time with the user-friendly digital display and easy to use dial knobs and touch-through-glass user interface.

Sized to Suit
With it’s family sized capacity of 1.34 cu. ft. capacity, this built-in steam oven is designed to accommodate multiple dishes and your favourite meals with ease.

Water Tank Drawer
Easy-to-fill. Easy-to-remove. Smoothly keep your oven’s steam generator brimming with water.

Interior Lighting
Monitor your food while it cooks with our bright interior halogen lighting.

Stainless Steel Interior
Extends the beauty and easy cleaning of the exterior to the interior of the speed oven.

Accessories
Water drawer tank, Temperature / Meat probe, Baking tray / sheet, Wire rack. Optional two-piece trim kit (available models include: TK455 and TK455GLASS)
